

## Lucky Charm

Select the Lucky Charm scratch card. Press 'buy card' to buy (play) the card.

### Scratch

Scratch the 'prize' symbols to see which prizes might be won. Scratch the symbols on the prize symbol's left side to see if prizes have been won. When at least two of the same symbols appears on a row, the prize connected to that row is won.

All fields on the scratch card can be scratched in once via the 'scratch all' field.

### Buy card/ Show card

After the game there is an option to buy a new card (Buy card) or to take a look at the previous played card (show card). When a free scratch card has been won, the 'play next card' option will appear.
