## Wild Symbol

Appearing Wild Symbols will substitute all symbols to complete a winning combination, except for Scatter Symbol combinations.

## Wild Takeover

When there are no wins during regular and Free Spins, a Wild Takeover can appear at any time. The Wild Takeover lets symbols be replaced with Wild Symbols.

## Scatter Symbol

Free Spins will be triggered when 3 or more Scatter Symbols appear.

## Free Spins

The number of Free Spins will be unpredictably selected. This can be either 4, 8 or 10 Free Spins.

## Symbol Takeover

During a Symbol Takeover, symbols will be replaced with another symbol. A Symbol Takeover can be suddenly triggered during regular and free spins, when there are no winning paylines.

## Reign of Fire

The Reign of Fire falls down on the symbols and makes symbols explode to be replaced with new symbols. The Reign of Fire can take place at any time during regular and free spins when there are no winning paylines.

## Technical Statement

In case of malfunction of the games' software or hardware, all plays and prizes will be void and bets will be refunded. Please contact the gaming website's customer service when experiencing any malfunctions in the game.
